

## **AMERICA'S LOVE PROJECT**

*By Karen Isbell, English Teacher at [Dr. Emmett J. Conrad Global H-TECH - Dallas ISD](#)*

America's Love Project is coming to you...  
because the people of America will always rise up  
will always find a way  
will always choose love...  
because the people of America  
do not suffer in vain, no, we  
go back to the roots of our ancestors and remember  
who got us to where we are today,  
we imagine what they imagined and more—  
we imagine freedom, equality and justice that will shine  
not just for some, but for everyone.

America's Love Project is coming to you because we know  
the heart of an artist lies deep in the being of everyone  
who knows what this country is about—creating beauty that unlocks more beauty,  
beauty that unlocks doors of opportunity, beauty that makes the body want to dance  
and the voice ache to sing...America, the Beautiful,  
we have not and we will not ever give up on you.

America's Love Project is coming to you  
because it is not enough to survive when life keeps asking  
us to thrive, to find the wisdom in our wounds,  
to build the bridges that will restore respect  
where it has been damaged  
and awaken it in in the corners that never knew before  
that respect is not just for the few.  
America's Love Project is coming to you because  
We know the people of America are ready  
to say "enough" to the fears that kept us separate,  
because we are ready to live from the greater, higher love  
that is bigger than any one of us  
and brighter than the sun  
because this great love is what got us here,  
is the voice that kept us moving forward  
when all seemed lost and we believed we were alone.

The people of America know  
We are born to remember and to use our lives to tell  
Everyone, "no, no, no, you are never alone—"  
For we are a people who come together,  
Who grieve together and get up again each day  
to join heart and hands in the quest  
to form a more perfect union  
through the wisdom and the power  
that can only come from Love.

America's Love Project is coming to you  
because America's Love Project is your love project,  
is your state's love project, is your city's love project, is your family's love project,  
is your let's-go-deeper-be braver-than-ever-before project  
to remind America—through the power of art—  
We are whole. We are one.  
and together—we can make miracles,  
together—we can get beautiful things done.
